## EXPERIENCE

### Android Developer Intern

[Google For Developer](#)

📅 Jan 2025 – Mar 2025

📍 Pune

- Worked with tools and technologies supported by Google for Developers.
- Enhanced my technical skills in app development & the integration of Android Studio into React Native.
- The program also provided insights into industry best practices and collaboration within the developer ecosystem.

### Web Developer Intern

[SGMS Infotech](#)

📅 Jun 2023 – Jul 2023

📍 Pune

- I learned to create responsive and visually appealing web designs while working under professional guidance.
- The internship also helped me develop problem-solving skills and a deeper understanding of front-end development practices.
